## Chassagne-Montrachet Chardonnay 2021

---

**Grape Variety :** Chardonnay

**Soil :** Clay and limestone

**Site :** Three plots of vineyards from selected "vignerons", ideally located in the heart of the village of Chassagne Montrachet - close to the Premiers Crus area. South, South-East orientation.

**The Vintage 2021 :** After a winter characterized by marked variations in temperature and a summer like weather spring, a sudden and intense frost fell upon Burgundy early April and severely hit the buds that had formed on the vine. The months that followed were a succession of rainy and warm episodes. During summer there were warm and humid periods. The harvest started at Chanson on September 15, under a bright sunshine. The white wines display floral fragrances mixed with pale fleshed fruit aromas. They are precise and tense but the volumes produced are quite low.

**Tasting :** Pale gold colour. Floral fragrances mixed with aromas of pale fleshed fruit and citrus fruit. Delicate vanilla note. Complex and well-balanced. Precise and dense texture. Elegant oak note. Long and refreshing finish.

**Food pairing :** To be enjoyed with foie gras, grilled fish, white meat and strong cheeses (Epoisses, Roquefort and Munster).
