Pouilly-Fuissé

Pouilly Fuissé 2022

Grape Variety : Chardonnay

Soil : Clay and limestone

Site : South of Burgundy, in the heart of the Mâconnais region, the area of production is located on the villages of Fuissé, Solutré-Pouilly, Vergisson and Chaintré.

The Vintage 2022 : After a winter characterized by marked variations in temperature between January and February, spring started with mild temperatures. A sequence of cold weather in April was followed by warm temperatures in May but the lack of water was very noticeable and could not be compensated by the rainy storms of June. Summer was marked by several and long heat waves and the storms of the end of August were most welcome. The harvest at Chanson started on August 30 with a team of 100 persons and ended on September 13. 2022 vintage was quite generous both in volume and quality and the white wines are well-balanced, precise and refreshing.

Tasting : Pale yellow colour. Floral fragrances mixed with aromas of citrus fruit and fresh honey. Delicate touch of minerality. Well-crafted with a refined texture. Long and refreshing aftertaste with salty tinges.

Food pairing : Fish, cooked pork meat, "charcuteries" ("jambon persillé"), white meat and some goat cheeses.
